JUNE 24TH, 2021

Dear Oaklands Parents/Guardians,

I would like to acknowledge and recognize the contributions you have made to your child's learning journey this year. Each of you brings a piece to what makes Oaklands so special and we are not whole without you. With your support, we have made it through a significantly challenging year and we are all stronger for it.

Like the hummingbird, you have provided guidance, hope and inspiration to your child/children through a school year like no other. Thank you for your courage in the face of uncertainty. Your patience, commitment and partnership have illuminated the path alongside us and I am deeply grateful for you.

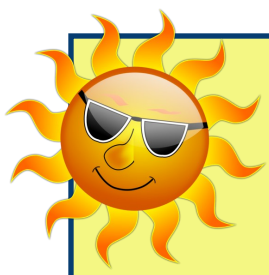

The summer is before you now and I hope each and every one of you finds time to laugh, to love and to be loved.

I look forward to your safe return in September and I wish all the very best to our exiting grade 5 students as their journey continues in Middle school.

Warm regards,

Petra Eggert

Message from Oaklands PAC

The PAC Executive would like to say a huge thank you to all the parents and staff for their support throughout the school year. This has been a crazy year; however, with the support we were able to provide the students with outside fieldtrips, outdoor sports equipment, Grade five year end celebrations, the Gaga Ball Pit, and much more.

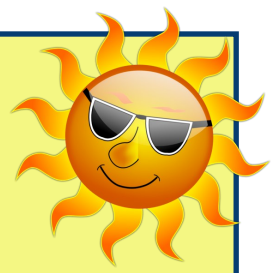

A farewell and thank you to Eugene Johnson as his children head to Middle School. He has been on the PAC as Member-at-Large, President, and this year our Vice-President. Eugene will be greatly missed on the Executive team for his dedication, energy, ideas and organization.

Wishing everyone a wonderful summer break full of sunshine and laughter. Please look for PAC information and updates in the fall.

Thank you,

Oaklands PAC Executive
